Some examples of 'How to?'

- ▶ Convey your exciting mission to at least one person each day
 - Individual people (one-by-one, networking events)
 - Group (articles, blogs, speaking engagements)
- ▶ Ask at least one person each day about their goals
 - Individual people (one-by-one, networking events)
 - Group (survey, speaking engagements)
- ▶ Focus on the **relationship** you are building
 - versus the actual work that is being done
 - Defending, blaming, explaining how this happen – versus focusing on what needs to happen now to move forward.
- ▶ Surround yourself with excited people
 - Success and enthusiasm is contagious
 - Surround yourself with people that are clear about their path and where they are going

Some examples of 'How to?'

- ▶ Create a network of supporters and collaborators that are in line with your vision
 - Don't ignore the power of networking with the right type of people
 - Consider like-minded centers, synergy groups or chat centers
 - Meet with people already where you want to be, ask for their mentoring and coaching
- ▶ Emphasize ethics, honesty and integrity
 - Don't accept less from yourself
 - Read the Four Agreement by Don Ruiz – short , power book.
 - Following these Four agreement keeps us on this particular path
 - Be impeccable with your word
 - Don't assume
 - Don't judge
 - Always do your best
- ▶ Elevate those around you
 - Through respect, honesty and confidence (in yourself and in them)
 - Everyone appreciate respect
 - Everyone wants to be valued and self-worth

Some examples of 'How to?'

- ▶ Focus on the abundance of possibilities
 - What didn't work in the past is irrelevant
 - What didn't work for someone else is irrelevant
 - Celebrate yours and other achievements
 - ▶ Release those items not aligned with your current mission, vision and goals
 - People, places, memories and past events
 - Open space for the new and better
 - Let go of the good to allow the fantastic
 - Delegate tasks that other can accomplish just as well
 - ▶ Acknowledge that everything is unfolding perfectly
 - Decisions can never be 100% guaranteed because their results are always delayed.
 - Do the best you can with the information you currently have
 - Emotionally disengage from the outcome
-
